Survey has several meanings, all of which come from Medieval Latin and Anglo words for looking over. As a noun, survey can mean a detailed study of something, but it also means a short summary with a broad view. A survey course gives an overview of a particular subject area, but doesn't make you an expert. Survey is also a verb. If you survey an area hit by an earthquake, you look closely at it to measure the damage.

survey - Dictionary Definition : Vocabulary.com

This study focuses on strategies in second language vocabulary learning. It analyses second language vocabulary learning acquisition through transition of meaning and word formation, as well as learning vocabulary of the same categorization together and so on. This study aims to investigate learners' attitude and evaluation on L2 vocabulary learning strategies (seven are identified).
