This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The New Guidebook for Pastors is written in the tradition of classics like Criswell's Guidebook for Pastors. But since most pastoral guidebooks available today date back to 1980 or earlier, this new resource by Mac Brunson and James W. Bryant will offer fresh experience-based encouragement to all pastors in their pursuit of excellence and development in their God-called profession. Among the twenty chapters are "The Pastor and His Call," "The Pastor and His Family," "The Pastor and His Staff," "The Pastor and Worship," "The Pastor and Finances," "The Pastor, Wedding, and Funerals," "The Pastor, Politics, and Moral Issues," and "The Pastor and His Denomination."

The activist and TED speaker Megan Phelps-Roper reveals her life growing up in the most hated family in America At the age of five, Megan Phelps-Roper began protesting homosexuality and other alleged vices alongside fellow members of the Westboro Baptist Church in Topeka, Kansas. Founded by her grandfather and consisting almost entirely of her extended family, the tiny group would gain worldwide notoriety for its pickets at military funerals and celebrations of death and tragedy. As Phelps-Roper grew up, she saw that church members were close companions and accomplished debaters, applying the logic of predestination and the language of the King James Bible to everyday life with aplomb/which, as the church's Twitter spokeswoman, she learned to do with great skill. Soon, however, dialogue on Twitter caused her to begin doubting the church's leaders and message: If humans were sinful and fallible, how could the church itself be so confident about its beliefs? As she digitally jousts with critics, she started to wonder if sometimes they had a point/and then she began exchanging messages with a man who would help change her life. A gripping memoir of escaping extremism and falling in love, Unfollow relates Phelps-Roper's moral awakening, her departure from the church, and how she exchanged the absolutes she grew up with for new forms of warmth and community. Rich with suspense and thoughtful reflection, Phelps-Roper's life story exposes the dangers of black-and-white thinking and the need for true humility in a time of angry polarization.

History of pastor's ministry in one place.
