bio 107 biology lab practical Flashcards and Study Sets ... The average for the lab final last fall was 60 or 61 IIRC. It is a hard exam, so study a lot for it. But there is a group portion that will help you out, and the TAs marked the presentations a bit easier than most assignments. Also, the quizzes in the lab and pre-lab quizzes are also some of the easier marks in that lab. I would suggest try to ...

This laboratory manual has been developed to accompany the Biology II course. The coursework, lecture and lab, are designed to provide the student with a wide range of information about living organisms and systems. The experiments contained in this lab manual accompany the lecture information in such a way so as to illustrate and demonstrate.
