Verbal reasoning tests are designed to measure your powers of comprehension, reasoning, and logic. You will be tested on whether you jump to conclusions or you appreciate the limitations of a statement. If a passage says "it has been reported..." it does not follow that the reported aspect is necessarily true; only that it has been reported.

Verbal Reasoning, Free Online Practice Tests

Verbal reasoning is the ability to understand and logically work through concepts and problems expressed in words. Verbal reasoning tests tell employers how well a candidate can extract and work with meaning, information and implications from text. They provide a useful indication of how you will be perceived by colleagues and, in particular, how you will relate and interact with customers.
