NEW YORK TIMES BESTSELLER • The darkly suspenseful tale of two families struggling to make the hardest decision of their lives—all over the course of one meal. Now a major motion picture. “Chilling, nasty, smart, shocking, and unputdownable.”—Gillian Flynn, author of Gone Girl It’s a summer’s evening in Amsterdam, and two couples meet at a fashionable restaurant for dinner. Between mouthfuls of food and over the scrapings of cutlery, the conversation remains a gentle hum of polite discourse. But behind the empty words, terrible things need to be said, and with every forced smile and every new course, the knives are being sharpened. Each couple has a fifteen-year-old son. The two boys are united by their accountability for a single horrific act—an act that has triggered a police investigation and shattered the comfortable, insulated worlds of their families. As the dinner reaches its culinary climax, the conversation finally touches on their children, and as civility and friendship disintegrate, each couple shows just how far they are prepared to go to protect those they love. A NEW YORK TIMES NOTABLE BOOK “A European Gone Girl. . . . A sly psychological thriller.”—The Wall Street Journal “Brilliantly engineered. . . . The novel is designed to make you think twice, then thrice, not only about what goes on within its pages, but also the next time indignation rises up, pure and fiery, in your own heart.”—Salon “You’ll eat it up, with some fava beans and a nice Chianti.”—Entertainment Weekly “[Koch] has created a clever, dark confection. . . . absorbing and highly readable.”—New York Times Book Review “Tongue-in-cheek page-turner.”—The Washington Post “[A] deliciously Mr. Ripley-esque drama.”—O: The Oprah Magazine

James Schuyler's utterly original What's for Dinner? features a cast of characters who appear to have escaped from a Norman Rockwell painting to run amok. In tones that are variously droll, deadpan, and lyrical, Schuyler tells a story that revolves around three small-town American households. The Delehanteys are an old-fashioned Catholic family whose twin teenage boys are getting completely out of hand, no matter that their father is hardly one to spare the rod. Childless Norris and Lottie Taylor have been happily married for years, even as Lottie has been slowly drinking herself to death. Mag, a recent widow, is on the prowl for love. Retreating to an institution to dry out, Lottie finds herself caught up in a curious comedy of group therapy manners. At the same time, however, she begins an ascent from the depths of despair—illuminated with the odd grace and humor that readers of Schuyler's masterful poetry know so well—to a new understanding, that will turn her into an improbable redeemer within an unlikely world. What's for Dinner? is among the most delightful and unusual works of American literature. Charming and dark, off-kilter but pedestrian, mercurial yet matter-of-fact, Schuyler's novel is an alluring invention that captures both the fragility and the tenacity of ordinary life.

Fikry and Young Jane Young "We've been waiting for an hour." That's what Audrey says. She states it with a little bit of an edge, her words just bordering on cursive. That's the thing I think first. Not: Audrey Hepburn is at my birthday dinner, but Audrey Hepburn is annoyed." At one point or another, we've all been asked to name five people, living or dead, with whom we'd like to have dinner. Why do we choose the people we do? And what if that dinner was to actually happen? These are the questions Rebecca Serle contends with in her utterly captivating novel, The Dinner List, a story imbued with the same delightful magical realism as One Day, and the life-changing romance of Me Before You. When Sabrina arrives at her thirtieth birthday dinner she finds at the table not just her best friend, but also three significant people from her past, and well, Audrey Hepburn. As the appetizers are served, wine poured, and dinner table conversation begins, it becomes clear that there's a reason these six people have been gathered together.
