Grade 4 English Lessons. Grade 4 (Year 4) is the first year of upper primary, and children at this age should be introduced to more sophisticated and meaningful ways of linguistic expression, both in speaking and writing. Children at this stage are more mature than before, and are capable of exploring the English language more independently than before.

Pair or group work isn't necessary for every lesson, but in English language classes, it can be a great way to ensure your students are practicing speaking. It can be as simple as asking students to pair up and share what they wrote in class with their classmate. or to discuss questions related to the topic of the lesson.
