Since the 8350 is white, ceiling mounting it flush against a white ceiling helps to make it less visible in the room. However, the rear shelf mount is a favorite due to easy access and lower installation and cable costs. It is easy to set up, since signal sources can be placed on the same shelves as the projector for ease of cabling.

Epson's Home Cinema 8350 will shortly be replacing the 8100 (which had received awards from us, and other reviewers/editors). Each year there are a few basically all new projectors, but most are simply minor improvements, with sometimes minor additional features. The Home Cinema 8350 is an improved and slightly refined version of the older projector. The short version, is that last year's ...
