Abram shows you how to use Facebook to plan events, connect with friends, share photos, and more! This guide makes it easy to get set up, keep your information safe, create groups, and stay connected, even from your mobile devices.

The ultimate user's guide to Facebook, Twitter, Flickr, and more! Don't know a tweet from a tweep? Wondering how to get a Second Life? Curious about creating a Facebook profile? Join the social media movement! With *The Everything Guide to Social Media*, you'll master the lingo, tools, and techniques you need to use all forms of social media. Written in friendly, non-technical language by acclaimed reporter John K. Waters, this highly accessible handbook covers the full range of social media services, including: Messaging and communication (Blogger, Twitter) Communities and social groups (Facebook, MySpace, Friendster) Location-based social networking (Foursquare) News and tagging (Digg, StumbleUpon) Collaboration and cooperation (Wikipedia, Wikispaces) Photos and video sharing (Flickr, YouTube) Opinion and reviews (Yelp, Epinions) With this guide, you'll become comfortable with social media--and learn how to expand your presence online. With a special section on leveraging the power of social networks to build or grow a business, this up-to-the-minute guide is everything you need to walk the talk online--one wiki at a time!

A user's guide to understanding contemporary free speech issues in the United States Americans today are confronted by a barrage of questions relating to their free speech freedoms. What are libel laws, and do they need to be changed to stop the press from lying? Does Colin Kaepernick have the right to take a knee? Can Saturday Night Live be punished for parody? While citizens are grappling with these questions, they generally have nowhere to turn to learn about the extent of their First Amendment rights. *The Fight for Free Speech* answers this call with an accessible, engaging user's guide to free speech. Media lawyer Ian Rosenberg distills the spectrum of free speech law down to ten critical issues. Each chapter in this book focuses on a contemporary free speech question—from student walkouts for gun safety to Samantha Bee's expletives, from Nazis marching in Charlottesville to the muting of adult film star Stormy Daniels— and then identifies, unpacks, and explains the key Supreme Court case that provides the answers. Together these fascinating stories create a practical framework for understanding where our free speech protections originated and how they can develop in the future. As people on all sides of the political spectrum are demanding their right to speak and be heard, *The Fight for Free Speech* is a handbook for combating authoritarianism, protecting our democracy, and bringing an understanding of free speech law to all.

With billions of pictures and videos, posts and status updates, it is not a surprise that most businesses are now on Facebook trying to find different and unique ways to reach out and connect with this
