These photographs form part of a project to document the area between Manchester and Oldham, England in 1984-1986.

At the edge of the woods during the Sturgis Motorcycle Rally, the seasoned biker 'Groovy J' sees the promise of a noble, new Earth when he meets Katarina Zora, a woman with joy in her heart despite a rough start in life. The two bond over a series of raw and brutally honest stories that led Zora to a life as a custom motorcycle painter. When Groovy J expresses a desire for growth, Zora condenses twenty years of research and experimentation on how to heal the holes of trauma and become a master of one's fate, into an afternoon's conversation. Includes Toolbox filled with charts, questionnaires and empowering stories to guide you into becoming your best Self!

by John Wickersham This radically updated third edition encompasses the very latest developments in motorcaravans. It is full of practical information for both new and experienced owners and includes an overview of models, maintenance and repairs on habitation elements, explanations of construction methods, practical advice concerning appliances, and detailed descriptions of motorcaravan supply systems. The content is invaluable for owners of both leisure vehicles based on van conversions and coachbuilt models constructed on a separate chassis. Guidance is also given on accessories, weight restrictions, modifications, restoration work and self-build projects.

VelocePress, in close cooperation with Brooklands Books Ltd., has brought this and other repair manuals previously published as part of the Autobooks Owners Workshop Manual Series back into print. The series is an invaluable resource for the classic car enthusiast and a must have for owners interested in performing their own maintenance.
