National Certificate: N3 Engineering Studies
(Fitting and Turning) (SAQA ID 67491)

Additional study material is available for this course - at an additional cost. While this study material is not required to complete the course, it is recommended for students who would like to gain a better understanding of the mathematics and science concepts covered in their prescribed coursework.

*National Certificate: N2 Engineering Studies
(Fitting and ...*

Once you have completed your N1 - N3 certificates, you could look for an apprenticeship as a fitter and turner, or you could study further to complete your N4 - N6 Fitting and Turning certificates. Once you have completed the practical component of your training (usually through an apprenticeship or learnership), you can take the relevant trade test to become a qualified artisan.
