Reprint of a 1901 booklet giving guidance for doing evangelistic work among Southern Blacks.

Born just as the Civil War began, Lewis Sheafe grew to manhood at a pivotal moment in American history. But instead of racial equality, the nation offered its freed slaves further oppression and injustice. Sheafestrong-willed, dynamic, and seemingly tireless had but two main objectives: uplift his people spiritually and socially, and consistently adhere to biblical principle in all aspects of life. In this gripping biography Douglas Morgan pieces together the life of this forgotten leader whose story sheds light on the reason that no lasting, separate Black Adventist denomination ever formed.

Bible readings for the home circle: comprising one hundred and sixty-two readings for public and private study, in which are answered over twenty-eight hundred questions on religious topics, contributed by more than a score of bible students. To which added The game of life, a pictorial allegory.

Ellen White's non published writings, a piece of gold that you shall have in your collection

Lester DeKoster is the retired editor of The Banner, weekly news magazine of the Christian Reformed Church. He is the former Director of Libraries for Calvin College and Seminary. He currently writes and publishes books on Christian living from the Reformed Calvinist perspective. Gerard Berghoef is the retired President of Widdicomb Furniture Company and a long time elder in the Christian Reformed Church.

In James K. Humphrey and the Sabbath-Day Adventists, R. Clifford Jones tells the story of this important black religious figure and his attempt to bring about self-determination for twentieth-century blacks in New York City. Humphrey was a Baptist minister who joined the Seventh-day Adventist (SDA) Church shortly after arriving in New York City from Jamaica at the turn of the twentieth century. A leader of uncommon competency and charisma, Humphrey functioned as an SDA minister in Harlem during the time the community became the black capital of the United States. Though he led his congregation to a position of prominence within the SDA denomination, Humphrey came to believe the black experience in Adventism was one of disenfranchisement. When he refused to alter his plans for a utopian community for blacks in the face of dissent from SDA church leaders, Humphrey's ministerial credentials were revoked and his congregation dissolved. Subsequently, Humphrey established an independent black religious organization, the United Sabbath-Day Adventists. This book rescues the Sabbath-Day Adventists from obscurity. Humphrey's break with the Seventh-day Adventists provides clues to the state of black-white relationships in the denomination at the time. It set the stage for the creation of the separate administrative structure for blacks established by the SDA church in 1945. This history of a minister and his church demonstrates the struggles of small, independent, black congregations in the urban community during the twentieth century. R. Clifford Jones is an associate professor at Andrews University in Berrien Springs, Michigan. He is the editor of Preaching with Power and has authored scholarly articles on the emergence of the Sabbath-Day Adventists.
