Become Part of a Champion Industry that Overpowers Even the Toughest Economic Crises. Take a minute of your time, and look around you. Notice the furniture, gadgets, books, and all the other stuff you have lying around your home or office. Chances are, the majority of those items came to you by truck. E-commerce has changed the way we buy and sell things, especially in the light of current global events. This, in turn, has created a huge, global demand for transport carriers, especially motor carriers. The trucking industry has

been flourishing and growing for some time now, and it will continue to do so, according to a market research report from Technavio. They predict that the global market size will reach an impressive \$41.47 billion by 2024. This extremely favorable forecast provides a fantastic opportunity for those who wish to become a part of this lucrative industry. Large trucking companies own a significant portion of that cake, but a huge amount of transport in the US is handled by freight brokers. In fact, the demand for these cargo intermediaries has risen exponentially throughout 2020, and market analysis shows that this is the perfect time to break into a freight industry. But there is a catch. Many have already recognized this amazing opportunity, and the number of independent freight brokers is increasing. Luckily, the market is so huge that there's enough room for more, but competition is a factor that needs to be considered. This is why those who are considering to venture into the freight broker industry need to tread carefully, and take certain steps to ensure not only a great start to their business, but the potential to grow and expand. In *Freight Broker Business Startup 2021*, you will discover: Bulletproof freight brokerage business strategies, modeled after the latest market and industry analysis Detailed instructions for finding a profitable niche and conducting micro marketing for generating maximum profit A comprehensive guide through start-up costs and expenses, to help you invest your money smartly, and avoid unnecessary expenses How a bad business plan (or lack of it) can make your business fail before it even starts -- and a simple, effective template for writing one Helpful and proven tips and advice for finding customers -- shippers and carriers, and establishing a pool of long-term, steady clients A list of every form and license you'll need to obtain to start this business, including a guide through the best current

Being a freight broker can be a lucrative and fulfilling career. It is possible to easily make over \$100,000 a year if one plays their cards right. This billion dollar industry has been seeing a steady growth of 6-12% per year so you should consider claiming your piece of the pie now.

Freight Forwarder Business Startup How to Start, Run & Grow a Successful Freight Forwarding Business The global freight forwarding market has been seeing a steady growth of around 5% for last four years in a row now. This trend is expected to continue and grow bigger. With all the new trade deals like TPP (Trans-Pacific Partnership), TAP (Trans-Atlantic Partnership) and many other similar trade deals between countries are bringing the whole world into one marketplace. According to Transportation Intelligence, a leading logistics research firm, in 2013 the freight forwarding industry was at 129 Billion, but as of today, it has grown by another 16-20 billion more. This is an industry that in my opinion still in its infancy, with TPP, TAP and many other global trade agreements, the need for such services will grow higher every year. Another rapid growth I see in this business is from all the Amazon FBA(Fulfilled By Amazon) business owners, most of who buy their merchandise from China. Now Amazon never accepts

merchandise directly from a foreign country, so each and every piece of merchandise has to come through a freight forwarder/broker. This way the merchandise can get relabeled and shipped to various Amazon warehouses. In This Book You Will Learn: What is a Freight Forwarder What Is Freight Forwarding Business Types of Freight Forwarders Steps To Becoming A Freight Forwarder How to get started How and Where to Get Trained What Courses You Should Take How To Setup Your Business Legal Factors Freight Forwarder Licenses Steps to FMCSA Registration Insurance Requirements Running a Freight Forwarding Business Trading Condition and Limiting Liability How To Promote & Grow Your Business The Elements of Price Quote Links to all forms and applications But one word of caution, please don't think reading this book will be enough to get started as a freight forwarder, it takes some training either on the job (like I did) or formal school or online training to get started in this business. In this book, I shared some of the resources that are available for you to get started. If you are thinking about getting into this business, trust me when I say this, there is not a better time than now to get started. Do your research, get educated, get started. Good luck!

Are you interested in working from home by starting a profitable freight brokerage business? Do you want a done-for-you guide from start to finish that brings you closer to your dream of becoming a successful freight broker? If this is you, then read on... In today ' s world, the freight brokerage industry is growing continuously and it is very rewarding to become a freight broker if you build upon the right foundation. For instance, a freight broker can profit anywhere between 10% and 35% per any shipment they handle. Starting out at first could fetch you around \$100 to \$500 per shipment. Upon building professional networks and having some solid experience to go with it, you could

earn as much as \$5,175 for every shipment. Multiplying this value with the number of shipments handled per day can be astonishing! However, the reason most new freight brokers fail to succeed is because they lack proper knowledge and understanding of the business and what they hope to achieve. Before commencing a new freight brokerage business, you have to take into account several factors, one of which is getting educated. This is likely the most critical factor to consider when starting your brokerage business. The key to success is knowledge and to be successful, you must be well-informed about the freight moving industry. Besides from knowledge, you must be ready to build your network of shippers and carriers, as well as being ready to take on any financial obligations of the business, and several others. The reason why I have written this book, *The Freight Broker Book*, is to demystify the complexities you will face as a new freight broker and to educate you on the ins and out of how to run a successful freight brokerage business from start to finish. Below is a snippet of what you will learn;

- How to get the right training and experience to aid your journey to become a freight broker.
- Choosing the right legal framework for your business.
- How to develop a solid business plan that attracts investors and for easy access to loans.
- Finding carriers and shippers for your business.
- The essential paperwork and documentation to maintain and key points to note while at it such as carrier-broker agreement, bill of lading, load confirmation, rate agreement, etc.
- Fulfilling the legal requirements to function as a freight broker such as your operating authority, processing agents, surety bond or trust fund, etc.
- How to narrow down your target market audience for the best possible results in your business.
- How to operate your business smoothly and get it going as well as handling problems you will encounter. And a whole lot more! This
