Global Custody And Clearing Services

The global custody product was

conceived out of changes to United

States pension law. Today, service

providers act for clients in many

countries worldwide, handling assets

across 100 countries of investment.

The range of services is ever more

sophisticated. Measured by the value

of assets held under custody, it is a

Global Custody and Clearing Services  
- Palgrave Macmillan

'Just 20 years ago global custody described an arcane activity practiced by several hundred domestic banks in Europe and North America. Today it is a major industry dominated by a few global institutions. These players operate as information and processing hubs for upwards of \$100 trillion in financial assets. Automation, standardization, and consolidation got us here.
