turned out to be prophetic? Have you ever made an unusual choice or decision that turned out to be correct and attributed it to a “gut feeling”? These events are actually manifestations of your extrasensory perception, or ESP. Now you can develop your dormant extrasensory perception and use it to attain personal achievement and lasting fulfillment. For forty years, Dr. Al G. Manning, a noted expert in the field of parapsychology, has been helping even the most skeptical people recognize their ESP, clear away blocks to extrasensory development, and use their psychic abilities to enrich every aspect of their lives. Dr. Manning’s *Helping Yourself with ESP* gives you simple exercises and practical, down-to-earth advice that will show you how to:

- Improve your health through spiritual healing
- Set up a spiritual current that draws wealth to you
- Create a dynamic, magnetic personality that attracts people to you
- Sharpen your clairvoyant sight and hearing
- Reach out to helpful “spirit guides” and “personal protectors”
- Attain success and solve problems through concentration and meditation
- Forge the psychic strength to face any crisis with confidence
- Discover your true purpose in life

Filled with inspiring stories of ordinary people changed forever by the positive force of their own psychic powers, *Helping Yourself with ESP* is your spiritual guide to finding within yourself the key to happiness, prosperity, and peace of mind.

Offers guidance in contacting and seeking help from the spirit world by developing the senses of sight, hearing, taste, smell and touch

Read Book Helping Yourself With Esp

Susy Smith, internationally known author of twenty-one books on parapsychology and the occult, traces the fascinating, many-faceted history of hypnosis—from its shady origins to its present status of quasi-respectability and its promising future as a tool for producing Extrasensory Perception. In this book you will read about astonishing cases of hypnosis and the people who practice it. The report of the California doctor who used hypnosis as the sole anesthetic in heart surgery on two teenagers . . . The frightening story of a group of amateur hypnotists who placed a young girl in a trance so deep that she lost the use of English and began to speak in a strange, unknown language. The resulting loss of communication made it impossible for the hypnotists to bring the subject out of her trance . . . The staggering implications of statistics—which show that many hypnotic trances lead to communication with the dead . . . The Soviet professor who conducted long-distance telepathic hypnosis tests designed to make telepathy useful for the Russian cosmonauts . . . Be sure to visit the Afterlife Codes website of the Susy Smith Project at www.afterlifecodes.com.

Have you ever seen the future? Many people claim to have this sixth sense. But is extrasensory perception real? Or do we only notice the coincidences? See for yourself in this high-interest read for elementary students.
