Lacey Flint Series - Sharon Bolton

Lacey Flint is a multi-faceted character, with a suspicious past. Her past is nothing she wants getting out, especially around her superiors in the London police force, so she does everything she can to keep it under wraps. She is also a lover of men, often going out to nightclubs and bringing men home with her.

Sharon Bolton – crime and thriller writer

Sharon Bolton is one of the greatest crime novelists writing today and I have read and adored all of her books, especially the Lacey Flint series. Here Be Dragons is a quick read (I think it took me about an hour to finish) but it had me totally on the edge of my seat throughout and the ending - Wow!

The fractured relationship between Prince Harry and Prince William will 'never' be repaired, unless they happened to split from their wives, a royal expert has claimed. Ingrid Seward, who is the ...

There must be a thousand people in the vicinity of Westminster Bridge on this beautiful evening . . . in approximately thirty minutes ' time, many of them will be dead. Mark Joesbury, of Scotland Yard ' s Covert Operations Unit, is undercover. Embroiled in a terrorist gang ' s plans for a deadly attack at the heart of the capital, he ' s risking everything to stop them. But as they prepare to target London ' s most iconic landmarks, it ' s no longer just countless strangers he ' s fighting to save. Because they ' ve also got the woman he loves, DC Lacey Flint...

Lacey Flint, Sharon Bolton's enigmatic protagonist, has been living in a houseboat on the River Thames, and she's becoming a part of London's weird and wonderful riverboat community. Against her friends' better judgment, she's taken up swimming in the Thames, and she feels closer than ever to Detective Mark Joesbury, despite his involvement in a complicated undercover case. For the first time in her life, as she recovers from the trauma of the last few months, Lacey begins to feel almost happy. Then, at dawn one hot summer morning while swimming down the river, Lacey finds the body of a shrouded young woman in the water. She assumes it was chance—after all, she's recently joined the marine policing unit, and she knows how many dead bodies are pulled out of the river every year, most the result of tragic accidents. But further investigation leads her policing team to suspect the woman's body was deliberately left for Lacey to find. Lacey's no longer a homicide detective, but as she begins to notice someone keeping a strangely close eye on her, she's inexorably drawn into the investigation. Award-winning author Sharon Bolton has once again crafted a tightly plotted, utterly unpredictable thriller around one of the most compelling characters in crime fiction today, intensely private London police officer Lacey Flint, whose penchant for keeping secrets is only matched by her determination to uncover those of others.

Now You See Me is the first in the Lacey Flint series, followed by 2012's Dead Scared and 2013's Lost. "Bolton is changing the face of crime fiction—if you only read one crime novel this year, make it this." —Tess Gerritsen on Now You See Me "Really special: multi-layered and sophisticated, but tough too." —Lee Child on Now You See Me One night after interviewing a reluctant witness at a London apartment complex, Lacey Flint, a young detective constable, stumbles onto a woman brutally stabbed just moments before in the building's darkened parking lot. Within twenty-four hours a reporter receives an anonymous letter that points out alarming similarities between the murder and Jack the Ripper's first murder—a letter that calls out Lacey by name. If it's real, and they have a killer bent on re-creating London's bloody past, history shows they have just five days until the next attempt. No one believes the connections are anything more than a sadistic killer's game, not even Lacey, whom the killer seems to be taunting specifically. However, as they investigate the details of the case start reminding her more and more of a part of her past she'd rather keep hidden. And the only way to do that is to catch the killer herself. Fast paced and completely riveting, S. J. Bolton's Now You See Me is a modern gothic novel that is nothing less than a masterpiece of suspense fiction. A Kirkus Reviews Best of 2011 Mysteries title and one of Library Journal's Best Mystery Books of 2011.

'Bolton is hot property in crime fiction right now' Stylist Magazine 'Mesmerising' The Times A series of suicides. Each one a female university student. Each one more horrifying than the last. The police know it cannot be coincidence. But they can't prove it. They need someone to go undercover. A young policewoman, as vulnerable as the others. As unprepared for the nightmare that will greet her. Watch your back, Lacey Flint . . .

Sharon Bolton returns with her creepiest standalone yet, following a young cop trying to trace the disappearances of a small town's teenagers. Florence Lovelady's career was made when she convicted coffin-maker Larry Grassbrook of a series of child murders 30 years ago in a small village in Lancashire. Like something out of a nightmare, the victims were buried alive. Florence was able to solve the mystery and get a confession out of Larry before more children were murdered, and he spent the rest of his life in prison. But now, decades later, he's dead, and events from the past start to repeat themselves. Is someone copying the original murders? Or did she get it wrong all those years ago? When her own son goes missing under similar circumstances, the case not only gets reopened... it gets personal. In master of suspense Sharon Bolton's latest thriller, readers will find a page-turner to confirm their deepest fears and the only protagonist who can face them.

Tora Hamilton is an outsider at her new home on the rocky, wind-swept Shetland Islands, a hundred miles from the northeastern tip of Scotland. Though her husband grew up here, it's the first time he's been back in twenty years. Digging in the peat on thei

A determined young police constable goes it alone against an enigmatic killer and her bosses in a series debut for fans of Sophie Hannah and Tana French *The Burning Man*. It's the name the media has given a brutal murderer who has beaten four young women to death before setting their bodies ablaze in secluded areas of London's parks. And now there's a fifth. Maeve Kerrigan is an ambitious detective constable, keen to make her mark on the murder task force. Her male colleagues believe Maeve's empathy makes her weak, but the more she learns about the latest victim, Rebecca Haworth, from her grieving friends and family, the more determined Maeve becomes to bring her murderer to justice. But how do you catch a killer no one has seen when so much of the evidence has gone up in smoke? Maeve's frenetic hunt for a killer in Jane Casey's gripping series debut will entrance even the most jaded suspense readers.

De vondst van enkele leeggebloede maar verder ongeschonden lijkjes van kinderen in Londen doet een geheimzinnige seriemoordenaar vermoeden.

In such a small community as the Falkland Islands, a missing child is unheard of. In such a dangerous landscape it can only be a terrible tragedy, surely... When another child goes missing, and then a third, it's no longer possible to believe that their deaths were accidental, and the villagers must admit that there is a murderer among them. Even Catrin Quinn, a damaged woman living a reclusive life after the accidental deaths of her own two sons a few years ago, gets involved in the searches and the speculation. And suddenly, in this wild and beautiful place that generations have called home, no one feels safe and the hysteria begins to rise. But three islanders—Catrin, her childhood best friend, Rachel, and her ex-lover Callum—are hiding terrible secrets. And they have two things in common: all three of them are grieving, and none of them trust anyone, not even themselves. In *Little Black Lies*, her most shocking and engaging suspense novel to date, Sharon Bolton will keep the reader guessing until the very last page.

A strange increase in snake activity in a small English village is either Nature's interference or something far more sinister, in this chilling mystery from the author of "Sacrifice."
