Cahokia with vengeance in his heart. Will the empire's living god choose to save his city? A thousand years ago, the mighty Cahokian civilization dominated the North American continent. At the heart of the empire

It stood a vast city, teeming with tens of thousands of residents, traders, and travelers. The city of Cahokia sent settlers and priests throughout the continent, from Wisconsin to the Gulf of Mexico, carrying

Power rested in one being,  
Morning Star, a god  
resurrected in the body of a  
living man. A new threat has

## AN EPIC OF FAITH AND LOVE

The ancient Mayan amulet  
opened a door that couldn't  
be closed at my whim. The  
visions were frightening -  
from the Mayan lady at  
Chichen Itza with her  
premonition, to the woman

and child forced to jump to  
their deaths into the Sacred  
Well. I was 17 years old and  
had just been told about my  
parents' freak airplane  
accident in the Lacandon  
Jungle of Chiapas, Mexico.  
It devastated me beyond

belief. The only bright star was hope that she was alive somewhere, and that I would find her. My other bright star was Dune - a guy who seemed to read me like a book and whose sparkling eyes took me to a special

one that seemed to help me overcome the overwhelming grief. My journey to find her would force me to face evil head-on, and I would see the worst in people; but I would also find genuine kindness and love from

friends and strangers. The  
powerful and beautiful  
spotted jaguar that followed  
me around would guide me on  
that journey of self-  
awareness, love, and  
knowledge that could save  
mother earth before it was

too late, but to get there I would have to travel back in time and face unspeakable horrors. There was a heavy mist making the visibility difficult as the Lacandon Jungle canopy came up over the horizon. It was damp,
