8 Strategies for Building Students ' Academic Language 1. Encourage students to read diverse texts: Reading and then thinking and talking about different genres is a robust sequence for learning academic language. 2. Introduce summary frames: Summarizing is a simple and fail-safe approach to academic language activities. Students read a section of text to themselves before verbally summarizing the passage to a partner.

Albanian is the language of instruction in all public schools. The education takes place in three stages such as the primary, secondary, and pre-university education. There are about 5000 schools throughout the nation. Elementary education is compulsory from grades 1 to 9, but most students continue at least until a secondary education. Students must pass the graduation exams at the end of the 9th grade and also at the end of the 12th grade in order to continue their education.
