A last will and testament can include details of how a person's assets and property should be distributed upon his or her death, and it can organize the care for a child who is still considered a minor. A detailed last will and testament can help stops family members from infighting over any property or assets left behind by a loved one.

What Should I Include in My Last Will and Testament ...

While a will covers most of the major areas, it does not cover everything. Keep in mind that, depending on the circumstances, you may not be able to address the following items in your Last Will and Testament. 1. Joint Property or Assets

What Should You Include in Your Last Will and Testament?

A will or testament is a legal document that expresses a person's wishes as to how their

property is to be distributed after their death and as to which person is to manage the property until its final distribution. For the distribution of property not determined by a will, see inheritance and intestacy. Though it has at times been thought that a "will" historically applied only to real property while "testament" applied only to personal property, the historical records show that the terms have
