Love is a dangerous thing. It brings with it great joy, and opens you up to pain. But does one really have the courage to say no and look the other way? Laila is yet to recover from her painful past. Hurt, and untrusting of love, she is fully immersed in work, her only source of cheer. Her bakery franchise is very popular and she just might be able to go national, if she can pull off that big deal. Just when things are looking up, along comes JD, an impetuous, free-spirited creature to stir up the calm. He's her exact opposite. Laila's self-destructive, he's life-affirming. She's cautious, he's buoyant. But here's the thing: he makes her feel the very things she wanted to forget. Stirring a familiar passion she longed for but had lost the courage to pursue. They are irrepressibly drawn to each other but will she ever be able to trust him? Every Time It Rains is the story of every girl who has ever had her heart broken. And fallen in love again.
