including reference works, in a classified order to meet the needs of the sports historian.

There has been an explosion in the quantity of sports history literature published in recent years, making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1,000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s, many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the

# Download Ebook Liverpool Livewire Real Lives

importance of sport history research within academe. This international bibliography of books, articles, conference proceedings and essays in the English language is a one-stop for the sports historian to know what is new.

Livewire is a series of reading materials with a teenage or adult interest level for those with reading ages below ten. This title is part of the Real Lives sports series, and discusses the Liverpool football team. It is designed specifically for people with reading ages of nine or ten, and aims to engage the interest of the reader in a non-patronizing way, and lead towards the attainment of a higher

reading ability. It is accessible in layout and design, and there are many facts and illustrations.

The second edition of this indispensable guide to British (not American) football contains over 7,000 entries arranged in fourteen chapters. With greatly increased coverage of football films and music, every facet of association football from 1863 to the present is covered. Knowledgeable essays, reviews, and annotations guide the reader through the wealth of UK literature. This is a significant addition to the literature of association football, and required reading for collectors and fans of the game.

A VIBRANT MEMOIR OF A CHILDHOOD IN THE HEART OF LIVERPOOL The sixties: a new dawn for Britain - a kaleidoscopic crossroads where social upheaval, artistic revolution and excitement for the future rubbed up against urban poverty, inequality and post-war recovery. For comedian Crissy Rock, born in 1958, the following two decades would be the backdrop for a childhood and youth full of adventure, turbulence and discovery, with the city of Liverpool her crucible. In this evocative and nostalgic memoir, Crissy recalls, with extraordinary clarity, growing up in working-class Liverpool, in an era when traditional values of community, family and hard work still counted

## Download Ebook Liverpool Livewire Real Lives

for everything, even as bold changes in culture, fashion and music swept through the city. In a series of snapshots, she paints a vivid picture of an iconic place in a revolutionary time: from a world of playing by the docks and in the tenements, to the rise of mods and rockers, Beatlemania and dancing in the Cavern Club, and the birth of all-consuming crazes like space hoppers and miniskirts. Written with all Crissy's trademark wit and honesty, *Scouse, Choppers & Space Hoppers* is at once a nostalgic recollection of a rough-and-tumble working-class sixties and seventies childhood, and a celebration of Liverpool itself - a fond glimpse into the heartbeat of the North West from one of its best-loved daughters.
