Martindale: The Complete Drug Reference

Identifying the need for a reference source on drugs which extended beyond those agents included in the British Pharmacopoeia, William Martindale set about producing the Extra Pharmacopoeia (Martindale). In 1883 he published the first edition — a sizable book of 313 pages. He went on to produce a further nine editions up until his death in 1902 at which point his son, also a pharmacist, took ...
