## Metamorphoses Oxford

The modern, unacademic idiom of A.D. Melville's translation opens the way to a fresh understanding of Ovid's unique and elusive vision of reality.

The *Metamorphoses* of Ovid offers to the modern world such a key to the literary and religious culture of the ancients that it becomes an important event when at last a good poet comes up with a translation into English verse." —John Crowe Ransom ... a charming and expert English version, which is right in tone for the *Metamorphoses*."—Francis Fergusson This new Ovid, fresh and faithful, is right for our time and should help to restore a great reputation." —Mark Van Doren The first and still the best modern verse translation of the *Metamorphoses*, Humphries' version of Ovid's masterpiece captures its wit, merriment, and sophistication. Everyone will enjoy this first modern translation by an

## Metamorphoses Oxford

American poet of Ovid's great work, the major treasury of classical mythology, which has perennially stimulated the minds of men. In this lively rendering there are no stock props of the pastoral and no literary landscaping, but real food on the table and sometimes real blood on the ground. Not only is Ovid's Metamorphoses a collection of all the myths of the time of the Roman poet as he knew them, but the book presents at the same time a series of love poems—about the loves of men, women, and the gods. There are also poems of hate, to give the proper shading to the narrative. And pervading all is the writer's love for this earth, its people, its phenomena. Using ten-beat, unrhymed lines in his translation, Rolfe Humphries shows a definite kinship for Ovid's swift and colloquial language and Humphries' whole poetic manner is in tune with the wit and sophistication of the Roman poet.

Translations of Ovid's love poems.

Ovid was one of the greatest writers of classical antiquity, and arguably the single most influential ancient poet for post-classical literature and culture. In this Cambridge Companion, chapters by leading authorities from Europe and North America discuss the backgrounds and contexts for Ovid, the individual works, and his influence on later literature and art. Coverage of essential information is combined with exciting new critical approaches. This Companion is designed

both as an accessible handbook for the general reader who wishes to learn about Ovid, and as a series of stimulating essays for students of Latin poetry and of the classical tradition.

Ovid's poetical calendar of the Roman year is both a day by day account of festivals and observances and their origins, and a delightful retelling of myths and legends associated with particular dates." --from back cover.

Ovid's *Metamorphoses* is one of the most influential works of Western literature, inspiring artists and writers from Titian to Shakespeare to Salman Rushdie. These are some of the most famous Roman myths as you've never read them before—sensuous, dangerously witty, audacious—from the fall of Troy to birth of the minotaur, and many others that only appear in the

### Metamorphoses Oxford

Metamorphoses. Connected together by the immutable laws of change and metamorphosis, the myths tell the story of the world from its creation up to the transformation of Julius Caesar from man into god. In the ten-beat, unrhymed lines of this now-legendary and widely praised translation, Rolfe Humphries captures the spirit of Ovid's swift and conversational language, bringing the wit and sophistication of the Roman poet to modern readers. This special annotated edition includes new, comprehensive commentary and notes by Joseph D. Reed, Professor of Classics and Comparative Literature at Brown University.

Ovid's Changing Worlds looks at the four most important English imitations of Ovid's Metamorphoses in the English Renaissance. It sheds new light on dealings with the classics in the period and shows that the emergence of English literature from the
