system for restoring order. Past failures don't have to define you. Order from Chaos offers a helping hand to get you on the path to a more peaceful and rewarding life.

"Be honest: Do you keep telling yourself you'll go home and finally organize all those clothes and papers and other possessions that just seem to multiply when you're not looking? But maybe, just maybe, you can't help from thinking that the last time you went to the trouble of reorganizing, it all just magically went back to being messy within about a day and a half? Join the club. When you have a busy life -- and who doesn't these days? -- it's impossible to find enough time to keep cleaning up the same mess over and over again. You pick up all the papers, and the next time you walk in the kitchen there's a pile sitting there -- taunting you. Where does it all come from? And why won't it go away? Of course, the whole idea of becoming organized is that you won't have to do it over and over again. But have you found that magic system yet? Never fear, if you're holding this book in your hands right now, the good news is that you have! Help, I'm Knee-Deep in Clutter! is a sanity-saving book that empowers you to conquer the chaos once and for all. Organization expert Joyce I. Anderson gives you simple, realistic solutions for getting things under control not just immediately, but permanently. You'll find that getting organized is surprisingly

days, weeks, or even months at a time? If any of these sound familiar, then you are among the ranks of the disorganized—whether mildly or completely—and Liz Davenport has written this book just for you. Order from Chaos is the organizing book for disorganized people. In six easy steps she offers a system that will help you clean up your act. She demonstrates how to clear your desk by teaching you what's trash and why, reveals what a calendar is really meant to be, and provides a no-fail system for prioritization. At the end of the day, your desk will be clear and your mind will be free to relax. Rather than offering overcomplicated instructions for filing systems and time management plans, Order from Chaos focuses on ease of use. There is not one person—from office assistant to CEO—who will not benefit from this straightforward, easy-to-maintain plan.

Every thought you have, has an emotion attached to it. Everything's made of energy and it's vibrating in your subconscious mind with a certain frequency. What we can do to help ourselves to calm our mind, to be more focused and concentrate better, is to remove the emotion that's attached to the thought. When we actively use a tool that's especially created for a certain purpose, we tend to move the thoughts and emotions from our unconscious to our conscious mind and release emotions that have been attached to the

of difficulty. So how does a busy mom stay on top of the daily chaos that children inevitably bring along with them? No matter what your situation is, Kristi Clover's home organization systems will work for you. Her foundational rules are highly adaptable and will help you make your home more efficient no matter where you live or how many kids you have (and how messy they are). She helps you prioritize, break down big jobs, declutter, develop age-appropriate chores for your kids, tackle the endless piles of laundry, and so much more. If you long to have a functional and fabulous home for your family and you're tired of feeling overwhelmed by all the work, this life-changing book is for you!

Juggling the daily demands of career and motherhood is challenging for many of today's working women. When the question of spirituality is raised they may feel as if they've dropped the ball. In *Motherhood in the Balance*, Catherine Wallace recounts her ordinary, and often hilarious, endeavors to stay sane as she learns to balance the demands of her career with the needs of her family, while adeptly describing the struggles of her relationship with God. Wallace examines her own encounters with a witty and persistent God who thinks that the real problem is not career-vs-kids, but call. This stand-off begins to crumble when a truce is called and the author realizes that nothing can separate us from the love of God.
