So you want to know how to grade comic books? This Collectibles Shop page has the standard 10 point grading scale and definitions, as used in the Overstreet Guide. The 2 reputable third-party professional grading services (both begin with 'C') use the same scale, but not exactly the same criteria, but Overstreet has collaborated with them for their newest grading guide.

Once restored, a comic's value depends upon several factors:
The amount of restoration: In general, the more restoration has been performed, the less the comic is worth compared to its apparent grade value. A lightly restored book will be valued higher than a book with heavy restoration in the same apparent grade.
