Peacebuilding Memory And Reconciliation Bridging Conflict Development And Peacebuilding

Peacebuilding, Memory and Reconciliation explores the inextricable link between psychological recovery and socio-political reconciliation, and the political issues that dominate this relationship. Through an examination of the construction of social narratives about or for peace, the text offers a new perspective on peacebuilding, which challenges and questions the very nature of the dichotomy between "top-down" and "bottom-up" approaches.

Peacebuilding, Memory and Reconciliation - Taylor & Francis

How is reconciliation understood? What is its role in peacebuilding? This chapter from the SAGE Handbook of Conflict Resolution surveys the study of reconciliation and analyses the Franco-German and South African cases. While not universally applicable models, these two examples hold lessons for both the scope and limitations of reconciliation. Reconciliation has too many ambiguities [ ]

Peacebuilding, Memory and Reconciliation: Bridging Top ...

A common question shared by many, both individuals and entire post conflict societies, is how to address the trauma between victims and perpetrators impacted by violence while meeting local and international demands for peace, reconciliation and justice. In this paper I focus on an international case study of Northern Ireland, where restorative justice has been used in the community and ...
