The Ultimate Guide – Rick Riordan

The Ultimate Guide is a good book for Percy Jackson fans, but you can get a little bored of it. It's packed with information about Percy, Annabeth, Grover, and even monsters he fought! I liked that you could take a quiz about who your god parent would be, but I didn't like that the Ultimate Guide has a whole section about Percy's "background".

Fans of The Kane Chronicles series will adore this gorgeous primer on the people, places, gods, and creatures found in Rick Riordan's #1 New York Times bestselling series. Featuring enough information and extras to satisfy avid followers and budding Egyptologists alike, this lavishly illustrated guide will cast a spell on readers of all ages.

A book of firsts! One epic collection containing the first book from three different New York Times #1 best-selling series by Rick Riordan. **THE LIGHTNING THIEF:** Zeus's master lightning bolt has been stolen and Percy Jackson is the prime suspect. He and his friends have ten days to find and return it and bring peace to a warring Mount Olympus. To succeed, Percy has come to terms with the father who abandoned him, solve the riddle of the Oracle that warns of betrayal by a friend, and unravel a treachery more powerful than the gods themselves. **THE LOST HERO:** Jason, Piper, and Leo find themselves at Camp Half-Blood where people won't stop talking about a curse and a camper named Percy who's gone AWOL. These three friends must rely on one another and their newfound demigod gifts as they embark on an epic quest to save Mount Olympus. **THE HIDDEN ORACLE:** Apollo, once the glorious god of the sun, music, and poetry, has been cast down to Earth in punishment by Zeus. Now, as awkward mortal teenager Lester Papadopoulos, he's been tasked with restoring five Oracles

Get Free Percy Jackson Ultimate Guide

that have gone dark in order to regain his place on Mount Olympus. How is he supposed to accomplish that without any godly powers? He needs help, and a demigod named Percy Jackson shows him where to find it: at a training camp on Long Island called Camp Half-Blood. This primer of heroes and demigods will start readers on three unforgettable adventures. Bonus first chapters from two other amazing series promise more exciting journeys.

Demigods, brandish your pencils! Over the past decade, millions of young readers, parents, and teachers have come to adore Rick Riordan's classic series Percy Jackson and the Olympians, which made ancient Greek mythology contemporary, relevant, and entertaining as it turned kids on to reading. Now fans can literally color Percy's world with the amusing portraits, dramatic scenes, and intricate designs on every spread of this large format paperback. This book is a great way to introduce young children to the series, to allow older fans to reminisce, and to augment classroom units on Greek mythology.

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

All year the half-bloods have been preparing for battle against the Titans, knowing the odds

Get Free Percy Jackson Ultimate Guide

of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

The ultimate book-lover's fantasy, this sparkling debut is a "delight of magic and literature, love and adventure" (Kat Howard) featuring a young scholar with the power to bring literary characters into the world. For his entire life, Charley Sutherland has concealed a magical ability he can't quite control: He can bring characters from books into the real world. But when literary characters start causing trouble throughout the city and threatening to destroying the world, he learns he's not the only one with his ability. Now it's up to Charley and his reluctant older brother, Rob, to stop them--hopefully before they reach The End. Praise for *The Unlikely Escape of Uriah Heep*: "A star-studded literary tour and a tangled mystery and a reflection on reading itself; it's a pure delight." --Alix E. Harrow, Hugo Award-winning author "This beautifully-written novel is an exploration of the power fiction wields -- the power to inform and to change, even to endanger, our everyday world." --Louisa Morgan, author of *A Secret History of Witches* "Equal parts sibling rivalry, crackling mystery, and Dickensian battle royale, it'll be one of your most fun reads this year." --Mike Chen, author of *Here and Now and Then*
