Planning For The Foundation Stage

It takes the planning stage one step further by showing how specific play activities can be used to deliver the pre-school curriculum. The book helps students to complete curriculum plans covering the six learning areas of the Foundation Stage. It also shows students how to differentiate activities to meet the individual needs of each child.

Planning in the Foundation Stage

Good planning and effective assessment are closely related. Since the purpose of teaching and the main purpose of assessment are to help children to learn, teaching and assessment need to be planned together as complementary aspects of the one activity.

Physical Development and Movement is an Area of Learning in the Foundation Stage. It gives children the opportunity to experience and develop a range of fundamental movement skills. These improve co-ordination, locomotion, control, balance and manipulation. Teachers should enable children to develop knowledge, understanding and skills in:
