The text includes many current examples, which are handled in a politically equitable way. The outcome is a balanced approach to the theory and application of economics concepts. The second edition has been thoroughly revised to increase clarity, update data and current event impacts, and incorporate the feedback from many reviewers and adopters. Changes made in Principles of Economics 2e are described in the preface and the transition guide to help

Microeconomics, 2nd Canadian  
Edition Chapter 14: Page 36

Summary Summary □ Because a  
competitive firm is a price taker,  
its revenue is proportional to the  
amount of output it produces. □

The price of the good equals both  
the firm's average revenue and  
its marginal revenue.
