Gaelic football is Ireland's native sport. Fast, physical, athletic and driven by local and national rivalries, it is a unique part of our heritage. Ray McManus and his team at Sportsfile are as passionate as all true sports fans, and have been taking photographs for over forty years. They have been at All Ireland finals, of course, but also at club matches throughout the land. With reminiscences from photographers and players alike, this book is a look back over the decades at the legendary players, matches and moments that have contributed to the narrative of one of the world's most exciting sports. A must for Gaelic Football fans wherever they are.

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

A STAND ALONE story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend ----- Three hurting hearts. Too many secrets. One chance to conquer their fears. Over the past year, Travis Coleman lost the two people he allowed closest to his heart. Both gave him ultimatums—then left. Hell if he needs that kind of pain again. Time to move forward without the friends he thought might save him from his dangerous cravings. When Ashley Sims returns to Rocky Mountain House, her rambling lifestyle isn't all she's hoping to change. Travis snagged a piece of her, and while getting tangled in his issues again might be crazy, she hasn't given up on him. Nine months ago, Cassidy Jones walked away to stop his best friend from making a huge mistake. Temptation lingers, though, and when Travis shows up on his turf accompanied by a sensually uninhibited woman, the combination tosses fuel on the banked fire. Passion flares among the three of them, as hot as the summer days. But are they willing to push the limits, and fight for love? Warning: Dirty fighting, dirty talk, dirtier sex—secrets are coming out. Get ready for ménage a trois and cowboy-on-cowboy action, with ropes and crops and the kind of relentless love strong enough to set a man free. Keywords: Canadian Author, cowboy, western, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.
