Speeches explore a variety of political and social issues, including tax reform, the conservative movement, nuclear disarmament, and the growth of government

Organized chronologically to parallel the political, social, and cultural history of the 1980s, this collection of handwritten letters from Ronald Reagan to his constituents during his eight years in the White House shares the former president's political convictions, religious beliefs, and human concerns as he responds to citizens from all walks of life.

## Get Free Ronald Reagan Research Paper Topics

In *Reagan and Gorbachev*, Jack F. Matlock, Jr., gives an eyewitness account of how the Cold War ended, with humankind declared the winner. As Reagan's principal adviser on Soviet and European affairs, and later as the U.S. ambassador to the U.S.S.R., Matlock lived history: He was the point person for Reagan's evolving policy of conciliation toward the Soviet Union. Working from his own papers, recent interviews with major figures, and archival sources both here and abroad, Matlock offers an insider's perspective on a diplomatic campaign far more sophisticated than previously thought, led by two men of surpassing vision. Matlock details how, from the start of his term, Reagan privately pursued improved U.S.—U.S.S.R. relations, while

## Get Free Ronald Reagan Research Paper Topics

rebuilding America's military and fighting will in order to confront the Soviet Union while providing bargaining chips. When Gorbachev assumed leadership, however, Reagan and his advisers found a potential partner in the enterprise of peace. At first the two leaders sparred, agreeing on little. Gradually a form of trust emerged, with Gorbachev taking politically risky steps that bore long-term benefits, like the agreement to abolish intermediate-range nuclear missiles and the agreement to abolish intermediate-range nuclear missiles and the U.S.S.R.'s significant unilateral troop reductions in 1988. Through his recollections and unparalleled access to the best and latest sources, Matlock describes Reagan's and Gorbachev's initial views of each other. We learn how the two prepared for their meetings; we discover that Reagan

## Get Free Ronald Reagan Research Paper Topics

occasionally wrote to Gorbachev in his own hand, both to personalize the correspondence and to prevent nit-picking by hard-liners in his administration. We also see how the two men were pushed closer together by the unlikeliest characters (Senator Ted Kennedy and François Mitterrand among them) and by the two leaders' remarkable foreign ministers, George Shultz and Eduard Shevardnadze. The end of the Cold War is a key event in modern history, one that demanded bold individuals and decisive action. Both epic and intimate, Reagan and Gorbachev will be the standard reference, a work that is critical to our understanding of the present and the past.

In the last years of Ronald Reagan's life, his voluminous

## Get Free Ronald Reagan Research Paper Topics

writings on politics, policy, and people finally emerged and offered a Rosetta stone by which to understand him. From 1975 to 1979, in particular, he delivered more than 1,000 radio addresses, of which he wrote at least 680 himself. When drafts of his addresses were first discovered, and a selection was published in 2001 as *Reagan, In His Own Hand* by the editors of this book, they caused a sensation by revealing Reagan as a prolific and thoughtful writer, who covered a wide variety of topics and worked out the agenda that would drive his presidency. What was missed in that thematic collection, however, was the development of his ideas over time. Now, in *Reagan's Path to Victory*, a chronological selection of more than 300 addresses with historical context supplied by the editors, readers can see

## Get Free Ronald Reagan Research Paper Topics

how Reagan reacted to the events that defined the Carter years and how he honed his message in the crucial years before his campaign officially began. The late 1970s were tumultuous times. In the aftermath of Vietnam and Watergate, America's foreign and domestic policies were up for grabs. Reagan argued against the Panama Canal treaties, in vain; against the prevailing view that the Vietnam War was an ignoble enterprise from the start; against détente with the Soviet Union; against the growth of regulation; and against the tax burden. Yet he was fundamentally an optimist, who presented positive, values-based prescriptions for the economy and for Soviet relations. He told many inspiring stories; he applauded charities and small businesses that worked to overcome challenges. As Reagan's Path to Victory

## Get Free Ronald Reagan Research Paper Topics

unfolds, Reagan's essays reveal a presidential candidate who knew himself and knew his positions, who presented a stark alternative to an incumbent administration, and who knew how to reach out and touch voters directly. Reagan's Path to Victory is nothing less than a president's campaign playbook, in his own words.

This new anthology rounds out Ronald Reagan's rhetorical persona and fills a major gap in the literature about the man by offering an unbiased and a multi-dimensional picture of his public speeches during all phases of his political life. The 52 speech texts are arranged, with short introductions, into six topical chapters covering his Hollywood years, his eight years as governor of California, his presidential campaigns of 1976

## Get Free Ronald Reagan Research Paper Topics

and 1980, and his two terms as president. This compact reference will be handy for professionals and students at all levels who are looking for a well-rounded collection of both obscure and well-known speeches which offers Reagan's views on major issues at different times throughout his career. The short volume is suitable for college, university, professional, and public libraries. This representative collection shows Ronald Reagan speaking as an actor, an ideologue, and a pragmatic politician, illustrating his diverse communication styles. The anthology contains both good and bad speeches--some that are famous and others that are little-known--and includes patriotic messages, views on citizenship, politics, and governance and on important issues at different stages in his career. This handy reference is

## Get Free Ronald Reagan Research Paper Topics

uncompromising in its impartial selection of speeches. A short bibliography points to major sources and important studies, and a full index makes the reference completely accessible.

### Public Papers of the Presidents of the United States

In October 1964, Ronald Reagan gave a televised speech in support of Republican presidential nominee Barry Goldwater. "The Speech," as it has come to be known, helped launch Ronald Reagan as a leading force in the American conservative movement. However, less than twenty years earlier, Reagan was a prominent Hollywood liberal, the president of the Screen Actors Guild, and a fervent supporter of FDR and Harry Truman. While many agree that Reagan's

## Get Free Ronald Reagan Research Paper Topics

anticommunism grew out of his experiences with the Hollywood communists of the late 1940s, the origins of his conservative ideology have remained obscure. Based on a newly discovered collection of private papers as well as interviews and corporate documents, *The Education of Ronald Reagan* offers new insights into Reagan's ideological development and his political ascendancy. Thomas W. Evans links the eight years (1954-1962) in which Reagan worked for General Electric—acting as host of its television program, *GE Theater*, and traveling the country as the company's public-relations envoy—to his conversion to conservatism. In particular, Evans reveals the profound influence of GE executive Lemuel Boulware, who would become Reagan's political and ideological mentor. Boulware, known for his

## Get Free Ronald Reagan Research Paper Topics

tough stance against union officials and his innovative corporate strategies to win over workers, championed the core tenets of modern American conservatism-free-market fundamentalism, anticommunism, lower taxes, and limited government. Building on the ideas and influence of Boulware, Reagan would soon begin his rise as a national political figure and an icon of the American conservative movement.

Argues that Reagan is a master of symbolic politics and that his policies restore traditional American values and satisfy psychological needs more than material ends

Examining the presidency of Ronald Reagan, this book attempts to place his time in power within the context of

# Get Free Ronald Reagan Research Paper Topics

American politics. Failure and achievement in foreign policy and tax reform are just a few of the many subjects covered in this analysis of his time in office.
