Highlighting the athlete renowned as the savior of the World Wrestling Federation (WWF) and the man who destroyed World Championship Wrestling (WCW), this behind-the-scenes autobiography documents the astonishing career of Vince Russo. Chronicling the rise, fall, and eventual rebirth of professional wrestling, this engrossing account answers questions such as How did Vince McMahon win the war between the WWF and WCW? What was Eric Bischoff really like? and Why did Hulk Hogan threaten lawsuits? Penned by a winner of the WCW World Heavyweight Championship, this memoir details the author's historic face-off with Hulk Hogan in Daytona Beach as well as the legendary Monday Night Wars. Exploring the inner workings of the sport's most turbulent era, this memoir speaks from the center of the maelstrom, delivering a fresh and informed perspective on the current pro-wrestling scene. From the death of WCW to the rise of Total Nonstop Action Wrestling!the world's fastest-growing and most cutting-edge wrestling promotion!this remarkable narrative demonstrates how a grown man can find peace within the insanity of the squared circle.

A wrestling promoter documents his role in the popularity of the World Wrestling Federation, providing insight into his work as principal writer and discussing the lives of the such superstars as Shawn Michaels, Bret Hart, and The Rock.

It's been a decade since The Monday Night War waged between the WWF and WCW generated unprecedented and astronomical ratings, and the landscape of "the sport of kings" has changed radically. But one thing remains constant: the fans chanting "Fire Russo!" can still be heard at TV tapings and pay - per - view events across North America. And Vince Russo, the man who has at times been called "the most hated man in professional wrestling" wouldn't have it any other way. In his first book, Forgiven, Vince Russo delivered a modern - day parable about the price of success. In heartbreaking detail, he showed how a "godforsaken business" and the desire for acclaim in his career as a writer for Vince McMahon's WWF led him into a spiritual wasteland. Today, a changed Russo has returned to prominence in wrestling - a world he both loves and that has, he acknowledges, broken his heart - as one of the writers and masterminds behind TNA, the world's fastest - growing and most cutting - edge wrestling promotion. For two hours every Thursday, Russo's ideas and words revolutionize wrestling on Spike TV; but what he achieves on Impact! on a weekly basis has been many years in the making. He's been known as both the saviour of the WWF and the man who destroyed WCW, and Rope Opera: How WCW Killed Vince Russo is the true, behind - the - scenes story of, quite simply, the rise and fall and rebirth of professional wrestling. Many have tried to explain the inner workings of wrestling's most turbulent era - but this is the first time someone in the centre of the maelstrom has ever laid everything bare. In returning to the page to take readers from the death of WCW to the rise of TNA, Vince Russo has crafted his most remarkable storyline: that a grown man can come to terms with, and find peace within, the insanity of the squared circle.

A former wrestling announcer chronicles his thirty years among pro wrestlers and their promoters, documenting the rise of the sport to its current status as prime-time national entertainment.

Bischoff, one of the most controversial figures in the world of wrestling, takes a no-holds-barred look at his career and life. He discusses what he did right as WCW president--and what failed--as he helped shape the sports entertainment industry into the billion-dollar business it is today.

An often controversial figure, Jerry 'The King' Lawler has been at the top of his profession both as a wrestler and most recently as a commentator for over 30 years. Holder of more than 90 regional or national titles over the course of his career, he is as well known for his feuds, both in and out of the ring, as he is for his achievements and his expertise. No stranger to the airwaves, he has hosted his own show both on radio and on television, and he is also a successful commercial artist whose work can be seen on several sites around his home city of Memphis. Outside the WWE arena perhaps his most famous dispute was with actor and comedian Andy Kaufman, a long-running conflict that at one point put Kaufman in hospital and culminated in a televised brawl on 'Late Night With David Letterman'. Now in a no-holds barred autobiography 'The King' is prepared to tell all both about his sometimes stormy career and about the backstage secrets of the WWE.

Noir contains three long-lost thrillers by Richard Matheson, the grand master of suspense. Originally published in the 1950s, at the very beginning of Matheson's distinguished career, these page-turning classics have been largely out-of-print for decades. Now readers everywhere can savor three unforgettable tales of crime, corruption, and cold-blooded murder. . . . Someone Is Bleeding--Dave Newton has fallen hard for Peggy, a leggy blonde with a lurid past and a heartbreaking smile. But as bloody corpses begin to litter his path, Dave is forced to confront the terrifying possibility that the woman he loves is a deranged killer! Fury on Sunday--In the wee hours of one fateful Sunday morning, a homicidal maniac embarks on a rampage of terror and violence that threatens everyone who crosses his path, culminating in a deadly confrontation in a Manhattan apartment building. Ride the Nightmare--Chris and Helen had the perfect suburban life--until Helen discovers her husband's guilty secret. Overnight, their peaceful existence descends into a vortex of fear and brutality that may cost them the life of their only child!

Are you a witless cretin with no reason to live? Would you like to know more about every piece of knowledge ever? Do you have cash? Then congratulations, because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: The Onion's compendium of all things known. Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edify even the most simple-minded book-buyer, THE ONION BOOK OF KNOWN KNOWLEDGE is packed with valuable information-such as the life stages of an Aunt; places to kill one's self in Ulica, New York; and the dimensions of a female bucket, or "pail." With hundreds of entries for all 27 letters of the alphabet, THE ONION BOOK OF KNOWN KNOWLEDGE must be purchased immediately to avoid the sting of eternal ignorance.

~There's more than a few instances in this biography of UFC cult favourite Mark Hunt that make you shake your head in can't-make-this-stuff-up disbelief? - Inside Sport A powerful story of sadness, hope, pride, honour and triumph from the real-life Rocky! Raw, confronting and honest, UFC champion Mark Hunt's inspiring autobiography shows it is possible to defy the odds and carve a better life. Born into a Mormon Samoan family, Hunt details his harrowing early life, his troubled teen years, and his angry youth with no apparent future. After being plucked from an Auckland street fight and dropped into his first kickboxing bout, Mark went on to achieve unprecedented success in Australian and New Zealand combat sports. In an ongoing career that has spanned the globe, Mark Hunt has been in some of the UFC, Pride and K-1's most memorable battles. But in some ways those fights pale in comparison to that which he has overcome out of the ring and cage. As fearless with his opinions as he is in the Octagon, Mark pulls no punches in revealing the highs and lows of his extraordinary life.

John Andretti's life was driven by family and fueled by a passion for racing. In Racer, as told to bestselling author Jade Gursr (Beast, In the Red, Driver #8), Andretti candidly recounts how these powerful forces shaped a diverse professional driving career. The honesty and character that defined Andretti's life offer a behind-the-scenes look at racing at all levels full of lessons in racing and life supplied by this fiery and fiercely competitive driver. The powerful narrative includes John's substantial charity work, and the story of how he contracted colon cancer at age 53 and turned his affliction into a public awareness campaign. Racer is an intimate look at racing at the highest levels as well as life lessons from one of the world's most celebrated motorsports family.
