What is the difference between an academic and professional qualification? Who should get a professional qualification? Did you know that some professions can not be legally practised with a degree alone? Why get a UK qualification? Is it expensive to gain a British qualification? What is a chartered institute or society, and is it better than a non-chartered body? What is the difference between a professional body and a trade union? These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation. In today's world it isn't enough to have a qualification, you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession. Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead, entry requirements, where to apply and where to study. Derived from the vast and authoritative British Qualifications database, this important publication provides the first easily accessible guide to qualifications and how to get them in the UK. Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained. The book is supported by a simple website, which ensures purchasers of the book are kept up-to-speed with new developments.

Candidates working towards NVQ Level 3 Care will now be taking the Promoting Independence specialist route in order to work with the elderly or those with special needs. This student textbook prepares candidates for the examination.

Covering both core and option units, with an accompanying CD-ROM containing further IT units, this full-colour candidate handbook matches the NVQ Business and Administration standards.

This student text covers the four units needed for assessment: preparing routine business documents; working with colleagues and customers; preparing for work in business organizations and following routine office procedures.

The majority of textbooks on HRM tend to focus on the administrative side of the subject and fail to examine its strategic importance. This book is intended to redress the balance and, taking strategy as its starting point, it looks at the overall role of HRM in the organization. The author explores strategic human resource management through chapters on managing change in strategy, structure, and culture; the role of human resource planning, and types of employment system. He also reviews some of the key issues in managing different employee groups. These themes are problem- and issue- focused and extensively illustrated throughout with case study examples. Dr Chris Hendry is the author of many reports, research papers and articles on HRM and strategic management.

In a single volume, the new edition of this guide gives comprehensive coverage of the developments within the fast-changing field of professional, academic and vocational qualifications. Fully indexed, it provides details on all university awards and over 200 career fields, their professional and accrediting bodies, levels of membership and qualifications, and is a one-stop guide for careers advisors, students and parents. It should also enable human resource managers to verify the qualifications of potential employees.

Jeremy Houghton Brown and Marcus Clinton offer you their expert advice on modern equine business techniques, sharing their wealth of practical experience, and their through understanding of the horse industry. --

An exam-based, step-by-step guide on how to use Word 2000 in various exams, including RSA, Pitman Qualifications and SCOTVEC.
