Have you ever wondered why some people can produce a well-structured, relevant essay written in a style that seems to glide across the page with the minimum of fuss? Do you think some people simply have these skills, and others don't, and that there is nothing we can do about it? This book just might change your mind. Addressing each landmark stage of the essay writing process, How to Write Better Essays teaches you how to... • analyse the question and break down difficult terms and concepts • brainstorm effectively and generate your own ideas • evaluate and criticise arguments • express your thoughts coherently and develop your own style of writing • plan and structure your essay from introduction to conclusion ...and along the way, practical techniques show how to analyse, criticise, discuss and evaluate material, improve your style, revise your final draft and avoid plagiarism. This second edition features a unique troubleshooting section allowing you easily to locate solutions to your writing problems, additional chapters on paragraphs and style, and end of chapter summaries. In short, this book is the constant source of assistance and inspiration you need to tackle your essays with confidence!

Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

Poetry: Featuring Good Bones, which has made a difference to so many people around the globe--called "Official Poem of 2016" by Public Radio International. Maggie Smith writes out of the experience of motherhood, inspired by watching her own children read the world like a book they've just opened, knowing nothing of the characters or plot. These poems stare down darkness while cultivating and sustaining possibility and addressing a larger world.

16 MILLION COPIES SOLD 'A book to read, to cherish, to debate, and one that will ultimately keep the memories of the victims alive' John Boyne, author of The Boy in the Striped Pyjamas A prominent Viennese psychiatrist before the war, Viktor Frankl was uniquely able to observe the way that both he and others in Auschwitz coped (or didn't) with the experience. He noticed that it was the men who comforted others and who gave away their last piece of bread who survived the longest - and who offered proof that everything can be taken away from us except the ability to choose our attitude in any given set of circumstances. The sort of person the concentration camp prisoner became was the result of an inner decision and not of camp influences alone. Frankl came to believe man's deepest desire is to search for meaning and purpose. This outstanding work offers us all a way to transcend suffering and find significance in the art of living.

Presents a guide to writing a research paper, covering such topics as finding sources, taking research notes, creating an outline, writing the first draft, and completing the final version.

The "dazzling" and essential portrayal of 1960s America from the author of South and West and The Year of Magical Thinking (The New York Times). Capturing the tumultuous landscape of the United States, and in particular California, during a pivotal era of social change, the first work of nonfiction from one of American literature ' s most distinctive prose stylists is a modern classic. In twenty razor-sharp essays that redefined the art of journalism, National Book Award –winning author Joan Didion reports on a society gripped by a deep generational divide, from the "misplaced children" dropping acid in San Francisco ' s Haight-Ashbury district to Hollywood legend John Wayne filming his first picture after a bout with cancer. She paints indelible portraits of reclusive billionaire Howard Hughes and folk singer Joan Baez, "a personality before she was entirely a person," and takes readers on eye-opening journeys to Death Valley, Hawaii, and Las Vegas. "the most extreme and allegorical of American settlements." First published in 1968, Slouching Towards Bethlehem has been heralded by the New York Times Book Review as "a rare display of some of the best prose written today in this country" and named to Time magazine ' s list of the one hundred best and most influential nonfiction books. It is the definitive account of a terrifying and transformative decade in American history whose discordant reverberations continue to sound a half-century later.
