Chronological Order Of The Minor Prophets In our Bibles, The Minor Prophets do not appear in chronological order. Therefore, we will not be studying them in the order as found in the Scripture. While we cannot be absolute about all of them, there is enough evidence for the vast majority to place them in somewhat of a chronological order.

Nathan Drake. Some parts of the Bible tend to get all the spotlight—the gospels, Paul's letters, the psalms, Genesis, Isaiah. But it's rare that we hear the names of Nahum, Habakkuk, or Obadiah on Sunday morning. The 12 books known as "the minor prophets" are often left out of the worship rotation because of the harsh nature of the words and ideas they contain.

This is the full 12 Bible Study guide books in the 'Spotlight On The Minor Prophets' series; Jonah, Obadiah, Joel, Micah, Amos, Hosea, Nahum, Zephaniah, Habakkuk, Haggai, Zechariah and Malachi. Taken from a Christian standpoint, this is an introduction to the Old Testament Prophets, known commonly as the 'Minor Prophets'. This title in no way implies that they are inferior in any way to the giants amongst the prophets such as Isaiah or Ezekiel; but rather the word 'minor' merely applies to the brevity of the writings of these Old Testament prophets. Bible Study Guide for Group or Individual use These are not intended to be in-depth bible studies as such; but instead an introduction or summary of the Prophets, their times and influences both then and today. This short bible series on the Old Testament Prophets looked at from a New Testament Christian point of view, is intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world. Studying the minor prophets reveals pearls of wisdom! Job states that "As sure as sparks fly upwards, Man is born to trouble." The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that "If we do not learn from our mistakes, then we are doomed to repeat them." Perhaps it's time to listen to their problems and see what The Lord had to say through his spokesmen - whom we know as the 'Minor Prophets'. I for one fully believe that the guidance offered to these Old Testament characters, can for the most part be profitably applied by the New Testament Christian when looked upon in the light of the New Covenant that Christianity has to offer.

After their mother's death, two siblings must navigate the strange world of the occult in this thrilling YA mystery Lee has always seen visions: cats that his mother promises aren't really there, a homeless man who he's convinced is out to get him, and three men who give him ominous warnings in the woods. His mother and his sister Murphy try to keep him grounded in the real world. But when his mother dies in a car accident and her horrible husband tries to adopt them, Lee and Murphy flee to their grandmother's ranch, which they've only heard about in stories. But is there a reason why their mother never brought them there? And what horrid truths lurk behind Lee's haunting visions? Thrilling, twisty, and poignant, Minor Prophets will keep readers guessing until the final page.

Combining three volumes in one, this affordable edition brings noted evangelical scholars together to offer an authoritative, evangelical treatment of the minor prophets.

Unlock the Prophetic Significance of the Biblical Feasts! The Lord spoke to Moses, saying, "Speak to the people of Israel and say to them, These are the appointed feast of the Lord that you shall proclaim as holy convocations; they are my appointed feasts.—Leviticus 23:1-2 ESV The Feasts of the Lord have powerful and prophetic significance to God's people, both Jew and Gentile. Each feast is a picture of Jesus the Messiah and represents one of seven phases of spiritual development in your life! In this intriguing and biblically sound study, Dr. Richard Booker takes you on a revelatory journey through the Bible showing you how the ancient Biblical feasts are relevant for your spiritual growth today. Get life-changing revelation of the significance of: • Passover • Unleavened Bread • First Fruits • Pentecost • Trumpets • Atonement • Tabernacles From the new birth found in Passover and the Crucifixion, all the way to entering God's rest found in the Feast of Tabernacles and the Second Coming, you will discover how the seven Biblical feast powerfully impact your faith journey with the Lord. Learn to encounter God in a fresh powerful way by unlocking the prophetic significance of the Feasts of the Lord!

Although they ministered for more than three centuries during some of Israel's most tumultuous days, the Minor Prophets remain a mystery to many Christians in the 21st century. Old Testament scholars Richard Alan Fuhr, Jr. and Gary E. Yates believe that the message of the twelve Minor Prophets is relevant for the church today, and they re-introduce these important books of the Bible to contemporary Christians. Ideal for use as a textbook as well as for personal study, The Message of the Twelve surveys the historical background of each prophetic book, the prophet's message and themes, as well as the book's place in the biblical canon. The authors also provide in-depth exposition of each book—from Hosea's metaphor of Israel's infidelity and Nahum's warnings of foreign judgments, to Haggai's postexilic call and Malachi's vision of future restoration. The Message of the Twelve goes beyond typical biblical surveys to examine the key interpretive issues in each book, including important literary insights from the Hebrew text. Drawing on the prophets' proclamations to ancient Israel and Judah, the authors emphasize that the church today must heed the call to reject apathy and return to a vibrant relationship with the living God.

Often our Advent/Christmas journey is focused on us our memories, feelings, relationships and experiences. This study puts the focus on Gods action in Jesus Christ. It encourages participants to think more deeply in terms of the biblical, theological and spiritual meaning of the Nativity, while still applying it to their own life experience.

Without the Major Prophets, we will be unable to completely comprehend what prophecy means. The collection of books from Isaiah, Jeremiah, Lamentations, Ezekiel and Daniel offer revelations from God about the future. Messages of judgment, mercy and hope are written all over this collection of Bible books. Read the stories of the five Major Prophets today!

The writings of the prophets make up over a quarter of the Old Testament. But perhaps no other portion of the Old Testament is more misunderstood by readers today. For some, prophecy conjures up knotted enigmas, opaque oracles and terrifying visions of the future. For others it raises expectations of a plotted-out future to be reconstructed from disparate texts. And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future - nations streaming to Zion, a lion lying with a lamb, and endlessly fruiting trees on the banks of a flowing river. We might view the prophets as stage directors for Israel's unfolding drama of redemption. Drawing inspiration from past acts in that drama and invoking fresh words from its divine author, these prophets speak a language of sinewed poetry, their words and images arresting the ear and detonating in the mind. For when Yahweh roars from Zion and thunders from Jerusalem, the pastures of the shepherds dry up, the crest of Carmel withers, and the prophetic word buffets those selling the needy for a pair of sandals. The Dictionary of the Old Testament: Prophets is the only reference book of its kind. Not only does it focus exclusively on the prophetic books; it also plumbs their imagery of mountains and wilderness, flora and fauna, temple and Zion. It maps and guides us through topics such as covenant and law, exile and deliverance, forgiveness and repentance, and the Day of the Lord. Here the nature of prophecy is searched out in its social, historical, literary and psychological dimensions as well as its synchronic spread of textual links and associations. And the formation of the prophetic books into their canonical collection, including the Book of the Twelve, is explored and weighed for its significance. Then too, contemporary approaches such as canonical criticism, conversation analysis, editorial/redaction criticism, feminist interpretation, literary approaches and rhetorical criticism are summed up and assayed. Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament.

The history books of the Old Testament record the relationship between God and His chosen nation. This relationship often swung back and forth from good to bad. The Books of History close with the Jews returning to Jerusalem to rebuild their city and temple after having been deported to Babylon.
