The Essential Guide to Public Health and Health Promotion is an accessible introduction to the principles and practice of health promotion and public health for all those new to working or studying in the area, whatever their professional background.

~~The Essential Guide to Public Health and Health Promotion—~~

This guide is one of a series written by the Equality and Human Rights Commission (the Commission) to explain how public authorities can meet the requirements of the Equality Act 2010 (the Act). The Act brought together all previous equality legislation in England, Scotland and Wales. The Act included the public sector equality duty, which replaced the former duties relating to race, disability and gender equality.
