The Great Mirror Of Male

The Great Mirror of Male Love (男色鏡 Nanshoku Ōkagami), with the subtitle The Custom of Boy Love in Our Land (男色風俗 Honchō Waka Fūzoku) is a collection of homosexuality stories by Ihara Saikaku, published in 1687. The collection belongs to Ihara's floating world genre of Japanese literature (浮世草子 Ukiyo-zōshi), and contains eight sections; each section contains five chapters, making 40 chapters in total.

of the literary traditions and sexual conventions of Japanese and Euro-American cultures."--Journal of Japanese Studies

Tokugawa Japan ranks with ancient Athens as a society that not only tolerated, but celebrated, male homosexual behavior. Few scholars have seriously studied the subject, and

Access Free The Great Mirror Of Male Love

until now none have satisfactorily explained the origins of the tradition or elucidated how its conventions reflected class structure and gender roles. Gary P. Leupp fills the gap with a dynamic examination of the origins and nature of the tradition. Based on a wealth of literary and historical documentation, this study places Tokugawa homosexuality in a global context, exploring its implications for contemporary debates on the historical construction of sexual desire. Combing through popular fiction, law codes, religious works, medical treatises, biographical material, and artistic treatments, Leupp traces the origins of pre-Tokugawa homosexual traditions

Access Free The Great Mirror Of Male Love

among monks and samurai, then describes the emergence of homosexual practices among commoners in Tokugawa cities. He argues that it was "nurture" rather than "nature" that accounted for such conspicuous male/male sexuality and that bisexuality was more prevalent than homosexuality. Detailed, thorough, and very readable, this study is the first in English or Japanese to address so comprehensively one of the most complex and intriguing aspects of Japanese history.

For the last decade Liberia has been one of Africa's most violent trouble spots. In 1990, when thousands of teenage fighters, including young men wearing

Access Free The Great Mirror Of Male Love

women's clothing and bizarre objects of decoration, laid siege to the capital, the world took notice. Since then Liberia has been through devastating civil upheaval and the most feared warlord, Charles Taylor, is now president. What began as a civil conflict, has spread to other West African nations. Western correspondents saw in the Liberian war a primeval, savage Africa—a "heart of darkness." They focused on sensational "primitive" aspects of the conflict, such as the prevalence of traditional healers and soothsayers, and shocked the international community with tales of cannibalism, especially the eating of the body parts of defeated opponents, which was

Access Free The Great Mirror Of Male Love

widespread. Eschewing popular stereotypes and simple explanations, Stephen Ellis traces the history of the civil war that has blighted Liberia in recent years and looks at its political, ethnic and cultural roots. He focuses on the role religion and ritual have played in shaping and intensifying this brutal war.

"A remarkable and sorely needed synthesis of the best of traditional historiographical documentation and critically astute analysis and contextualization. Cartographies complements and, frankly, exceeds any of the English language monographs on similar topics that precede it, and it represents significant contributions to several fields

outside of East Asian history, including literature, gender studies, lesbian and gay studies, and cultural studies."—Earl Jackson Jr., author of *Strategies of Deviance: Studies in Gay male Representation and Fantastic Living: The Speculative Autobiographies of Samuel R. Delany*

A compelling memoir of a gay man thoroughly familiar with the Japanese homosexual underground, a man anxious for his own health and unsure of the relationship he has left behind in the U.S.
