Back in 2002 Mr. Wraith had produced a manual of Magick that surprised even the oldest of veterans in the craft. A book so powerful that it was banned for almost six straight years because of the nature of the spells listed within. He has put together 113 of the most powerful spells ever combined for everyone who wishes to practice in the forbidden regions of magick, whether they be on the dark or light paths of the spectrum. This book was only available for a very limited time back in 2002 and then taken off the shelves in 2003 due to the massive effects the spells created. For the first time in a long and overdue six years, I present to you II Libro Della Magia Book 1 of the Magia Series.

What is missing in modern life is the recognition of the sacred in life. Celebrate! is a resource book for individuals, families, and communities to integrate the sacred back into ordinary life through blessing ceremonies and rituals. Sacred ceremonies are the bridge between the material and spiritual worlds reconnecting us to wholeness. The ceremonies included in the book can be used by all cultures and all faiths, marking important life events for children and adults, as well as holidays. Some are familiar ceremonies, and some are new, especially created for times that give meaning to life in the modern world. The section on Creating Your Own Ceremonies assists readers to create personal ceremonies to mark their own life journeys.

Andrew, an alcoholic, roams the streets, begging and gathering items to sell to support his addiction. By happenstance he runs into Marty, his former brother-in-law, who decides to rehabilitate him, but his endeavor is thwarted by his former mother-in-law, Claire. Claire forbids Marty from coming around her because, while driving under the influence, he caused the death of his wife, Elizabeth, who was Claire's sister. Claire directs a rehabilitation center, so she appoints her adopted brother, Michael, as editor-in-chief of the city newspaper she owns. This turns out to be a mistake. Claire is unaware that Andrew, her former husband, is in the city, not having heard from him since leaving her over thirty years earlier, without him knowing she was pregnant. Claire is perplexed with Marty admitting Andrew into her rehabilitation center for treatment, fearing Andrew will find out that Andrea, who works there as a doctor, is his daughter. Aided by Michael and Lizzy, an employee of the newspaper, a battle ensues to unite Andrew and Andrea. With Claire in the scene and due to the power she commands, the question is, Will Andrew discover he has a daughter and be reunited with her?
