**Roots of Fundamentalism: British and American ...**

Ernest R. Sandeen's "The Roots of Fundamentalism" remains a landmark work in the history of religion. A National Book Award finalist, it was the first full-length study to present an intellectual historical critique of the Fundamentalist movement in America. Sandeen argues that our understanding of this movement has been grievously distorted by the Fundamentalist-Modernist debate of the 1920s, as symbolized by William Jennings Bryan and the Scopes trial.
