Mohammed's story is the most incredible story never told. It is said that truth is stranger than fiction and honestly, NO-ONE could have made this up. There are battles, murders, intrigues, rapes, assassinations, torture, intimidation, and much much more. Along the way Mohammed invented Jihad, the most effective system of conquest ever devised. Mohammed's life story is also the key which unlocks the complexities and confusion of the Islamic religion itself. By understanding his story we quickly gain a clear insight into Islam and the incredible importance this subject holds for our future. This amazing book pulls no punches and brings the subject to life in a way which is both fascinating and informative. Rather than looking at Islam through a prism of Western (and by default, Christian) perspective, it examines the Islamic perspective itself. In doing so it illuminates the contrast between Western and Islamic ethics and beliefs in plain and simple language which makes it a delight to read. Millions of people, both Muslims and non Muslims are tragically affected by aspects of Islam. More than 95% of all wars and armed conflict today involve Muslims. Muslims also suffer some of the highest rates of poverty, disease, hunger, illiteracy, environmental degradation and many more crippling disadvantages. By tackling the subject head on, this book leaves us with the knowledge and understanding to address these problems with logical and well thought out solutions. Debra Riddle on Amazon UK said:I started to read this book open minded but could not put it down. I think every living person in the world today whatever religion should read this. Absolutely brilliant, a real eye opener and written so anyone can understand. Kazi Asaduzzaman said:This is a fantastic book with all the significant insights into the subject. To understand the subject, it is a valuable tool for the Non Muslims to begin with and an eye opener for the Muslims who want to know the truth from all the perspectives.I strongly recommend this book for others to read. In the current context, it's a must read. F. Parsons, also on Amazon UK called it "Brilliant" and left the following review:"A concise and factual account of the exploits of Mohammed and the repercussions throughout history to today. I could not put this book down having started reading it. Highly recommended". Fred J. Alexander said:This amazing factual book reads like an adventure story. Islam is based on the life of Mohammed and Mohammed is not like any other prophet. Easy reading only 135 pages. If you want insight on Islam and Jahd, etc. this is for you. John "Crafty" of Sydney said:This book really impressed me. I feared a xenophobic treatise but instead found a compelling history of Islam. Certainly I will read more to increase my knowledge. In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation.

How would one know their role and life purpose unless one receives clear and practical instructions of what God wants and expects of him or her? Here comes the need for Prophethood. Thus, God has sent thousands of Messengers and Prophets to mankind to convey His Message and communicate to us. Every nation on Earth received a Prophet. They all preached the same general Message that there is only one deity worthy of worship. He is the One and Only God, without a partner, son, daughter, or equal. God sent Messengers and Prophets to guide humanity from worshipping created beings and to worship their Creator, the Creator of all things. The Prophets came to teach their people about who their Creator is, how to build a relationship with Him, and how to love Him. The Prophets taught their people that life is only a test, where the successful will enter Paradise eternally, and the unsuccessful will enter the ultimate punishment in the afterlife. Out of the Infinite Mercy and Love of God, God continued to send Messengers with Books from God to guide humanity-- starting with Prophet Adam, including Noah, Abraham, Ishmael, Jacob, Moses, Prophet Jesus, and Prophet Muhammad, peace be upon them all. Many of the Prophets are found in Jewish and Christian traditions. All the previous Messengers and Books other than the Holy Quran and Prophet Muhammad were sent down only to a specific group of people and were only meant to be followed for a particular period. For example, Prophet Jesus, peace be upon him, was one of God's mightiest Messengers, who was sent down with the same general Message of all the previous Prophets but was only sent to the Children of Israel-the nation that lived before us, as their final Prophet because they were disobeying the commandments of God and veering away from the laws sent down by the previous Messenger, Moses, peace be upon him. Whenever God would send Messengers with Revelation, after they passed, people would distort and change the Revelations of God. What was pure Revelation from God-- would be polluted with myths, words of men, superstitions, irrational philosophical ideologies, and idol worship. The religion of God was lost in a plethora of religions. Such as how Prophet Jesus, peace be upon him, was sent to reform the previous Message sent before him by the previous Messenger, Moses, peace be upon him. Prophet Muhammad came to reform Prophet Jesus' Message since it was distorted by his followers and did not survive in its original form. When humanity was in the depth of the dark ages, God the Almighty sent his last and final Messenger to mankind, Prophet Muhamad, peace be upon him, and his final Revelation, the Holy Quran, to redeem humanity. The Holy Quran and the final Messenger, peace be upon him, affirmed everything that was revealed to all the previous Messengers in the past. Unlike the past Messengers and Books, Prophet Muhammad, peace be upon him, was sent to all of humanity, and there will be no Messenger or Prophet after him, nor will there be a Book after the Holy Quran, as both are meant to be followed by all people, not just a particular group of people, nor are they meant for a particular timeframe; both are meant to be followed by everyone until the end of time. Prophet Muhammad-A summarized story of God's Last and Final Prophet aims to introduce Prophet Muhammad, peace be upon him, derived from early Islamic Sources, helping you better understand who Prophet Muhammad, peace be upon him was and to instill a love for him. Studying the story and life of Prophet Muhammad, peace be upon him, is the best way to develop that love for our Prophet. Studying the life of Prophet Muhammad, peace be upon him, is an obligation given to us by our Creator and helps us better understand God's final Book, the Holy Quran, and its context.

Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' Muhammad: His Life Based to the Earliest Sources is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. Muhammad: His Life Based to the Earliest Sources was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.
