" This rollicking book weaves together the stories of a handful of characters whose seemingly normal lives become marked by unexpected, bizarre and apocalyptic events. " —Kirkus Reviews " Dan Brown ' s religious thrillers collide with the horror and sci-fi of Alien in this spellbinding book. " —Foreword Clarion It is 1969 as teenaged heiress, Kimberly Martin, enters a seedy Georgia bar, desperate to end her haunting dreams of alien abduction. But, she instinctively knows they are more than just dreams. Aliens are preparing her womb for an implanted hybrid and she has a plan she hopes will stop them in their tracks. But Kim has no idea that her act of defiance is about to unleash a stream of events that will catapult her, her family, and her friends to the precipice of a plot to overtake the world. After hearing confessions at St. Patrick ' s Cathedral, Kimberly ' s brother, Benny, learns in a vision that Kimberly is a candidate for insemination and that it is his job to shepherd Earth ' s people into a new dawn. Meanwhile, Sarah Matheson, Texas Bible college student, is visited by what she thinks is an angel who performs a strange procedure on her. In Illinois, Chris Altenbrook has just walked away from a potentially lucrative athletic career to enter the priesthood without any idea of what lies ahead. As three families are rocked by alien abduction, attempted murder, and Vatican intrigue, a turbulent world begins to spiral out of control and nothing seems certain. Precipice is a fast-paced adventure of world domination and cosmic conspiracies as three families uncover the powerful truths that await this generation.

Obelia, a prostitute in 514 Rome, never finds love until she meets Kristos in Corsica. Galen, a wealthy Dominus, wants Obelia in each lifetime claiming they are meant to be together. But she knows something is missing from her life. As she prepares to be reborn as Sadie Hughes in 1941 Winnipeg she leaves Galen behind for the very first time in centuries. Kristos takes his only opportunity to get his wife back as he plunges to earth in a most unconventional way. He never forgave Galen for stealing his wife from him. When Sadie is twenty-five an ethereal presence saves her from being raped at work by Davy Munro, a co-worker. During the worst blizzard in the history of Winnipeg in 1966, an intoxicated Davy tries yet again to complete what he started a few weeks before. On the Archway, a powerful being is waiting to claim her for himself. Will Kristos or Galen be able to save her? Will Sadie save herself? Did she really plan this horror for herself? What will it teach her? Welcome to Sadie ' s Story and find out for yourself.
