Tristessa - Wikipedia

Tristessa appears to be in love with Jack. In the year that intervenes between the two parts of the novel, Jack works in a fire tower in the Northwest -- this story is told in Kerouac's "Desolation Angels" When he returns to Mexico City as narrated in part 2 of the book, Tristessa's life has deteriorated as she has become more hopelessly addicted.

Jack Kerouac's writing style is mesmerizing and wonderfully artistic. Although the story of Tristessa is sad and heartbreaking, it is unforgettable. I was greatly helped by the endnotes in this annotated edition of the book as well as some good supplemental materials at the end. I made a terrific grade on my essay. And I can still smell the Mexico described in this short but beautiful little ...

Jack Kerouac describes his low-budget meanderings within the slums of the Prostitution and Drug Culture in 1950's Mexico City. His descriptions of the hovels that his "compadres" live in, is quite engrossing... it reminds me somewhat of the activities in the neighborhoods of modern-day Tijuana (short all the pets and chickens and so-forth)...

Kerouac returned to Mexico City a year later (1956) hoping to resume his platonic friendship with Tristessa and perhaps even pursuing a physical relationship with her only to find a desperately junk-sick, emaciated Tristessa who could barely function. Shocked, disappointed, and largely ignored by his brown-skinned goddess, Kerouac left Tristessa trembling and barely coherent, taking only
