Warren Buffett: The Life, Lessons & Rules For Success He's been consistently voted one of the wealthiest people in the world. Time Magazine also voted him as one of the most influential people in the world; widely considered to be the most successful investor of the entire 20th century. In short, Warren Buffett is a boss. The man knows a thing or two about success. With a net worth of \$77.1 billion, the billionaire investor's fabled business acumen has inspired everything from investment books to college courses. He is known to favor long-term investment strategies, like dollar cost averaging, which encourages the regular purchase of the same investment over time. He also has long-standing holdings in the Coca-Cola Company, Apple, and American Express among others. His now infamous letters to Berkshire Hathaway shareholders help shed light into how the man they call the "Oracle of Omaha," reads the tealeaves. This book takes a look at Buffett's life. From humble beginnings in Omaha, up to present day where the 86 year old is still going strong. We take a look at his first taste of business at the ripe old age of 6, following on with his major successes and failures along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. \*INCLUDING\* 25 Most Memorable Quotes & 15 Success Principles to Live by Don't wait, grab your copy today!

Is there a secret to Warren Buffett's success? Surprisingly, little is known about what really makes Warren Buffett so extraordinarily successful as an investor. So Nic Liberman set out to uncover the essence of his genius and, along the way, found that this cheerful billionaire has a unique combination of character traits. Being Warren Buffett is not a guide to investing. It is a thought-provoking investigation into the value of self-awareness, and how pairing our personalities to our endeavours could be the key to leading a fulfilling life.

Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

Priceless finance advice everyone can relate to from one of the world's most respected businessmen and the most successful investor of all time Of course you know who Warren Buffett is; he's the most successful investor in the world—maybe of all times. But what do you know about his approach to business and investing? It's an approach that, over the past four decades, has made him the richest man in America and the third-richest man in the world, and that has earned vast fortunes for his business partners and investors. But as Buffett himself will tell you, at the heart of any wealth-building system there are certain core beliefs, not just about finance, but about business, work, morality, your responsibility to yourself, your family and society, and about living a decent life. Written in conjunction with the hit television series, "Secret Millionaire Club" and with Buffett's input and full support, this book makes Buffett's financial philosophy and homespun life lessons available to everyone outside his "Secret Club." Warren Buffett's goal in spearheading this book was to share lessons about personal finance he has learned and that he hopes will benefit you (and your kids) for a lifetime You'll learn the fundamentals of personal finance by reading Warren Buffett's war stories and personal reflections on money, life, business, ethics and more All of the finance principles covered in the book were personally approved by Warren Buffett as those which he himself follows Unforgettable Buffett quotes include: "Price is what you pay. Value is what you get"; "Risk comes from not knowing what you're doing"; and "Profit from folly rather than participate in it."

Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

Elon Musk: The Life, Lessons & Rules for Success What can't Elon Musk do? As CEO of SpaceX and Tesla, founder of The Boring Company, and cofounder of OpenAI, Musk seems to be everywhere all at once, pushing all kinds of incredible new technologies. He's said he won't be happy until we've escaped Earth and colonized Mars. Between space rockets, electric cars, solar batteries, research into killer robots, and the billions he's made along the way, Musk is basically a real-life Tony Stark -- which is why he served as an inspiration for "Iron Man." But it wasn't always easy for Musk. This book covers how he went from getting bullied in school to small-time entrepreneur to CEO of two major companies that seem like they're straight out of science fiction -- and how he almost went broke along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. \*INCLUDING\* Elon Musk's 15 Rules for Success, 60 Greatest Quotes & 40 Little known facts! Don't wait, grab your copy today!

The definitive work concerning Warren Buffett and intelligent investment philosophy, this is a collection of Buffett's letters to the shareholders of Berkshire Hathaway written over the past few decades that together furnish an enormously valuable informal education. The letters distill in plain words all the basic principles of sound business practices. They are arranged and introduced by a leading apostle of the "value" school and noted scholar, Lawrence Cunningham. What's new in the second edition? This new edition has extensive additional content that highlights topics of vital national or international significance, including: - the proliferation of stock option compensation and excessive CEO pay; - Berkshire's shareholder-designated contribution program and the controversy over the abortion issue that led to its termination; - the explosion of derivative financial instruments and related perils and how Berkshire dealt with managing a sizable portfolio of them after buying Gen Re; - the dramatic increase in foreign currency trading in the past five years along with the astonishing growth in the US trade deficit; - management succession at Berkshire Hathaway as Mr. Buffett ages; - commentary on his philanthropic thinking in giving his entire fortune to charities; and - the fairness and other matters concerning taxation of corporations. Here in one place are the priceless pearls of business and investment wisdom, woven into a delightful narrative on the major topics concerning both managers and investors. These timeless lessons are useful to members of a wide range of professions, including law, accounting, finance and management, and provide rich teaching materials for courses in those fields.
