The Rolling Stones blended blues and rock and roll into a unique sound. They soon became famous in their home country of England. Teenagers in America became fans, too. Eventually, the Rolling Stones became the greatest rock-and-roll band in the world. They have been together for more than fifty years—longer than any other band in history.

The Rolling Stones | Discography | Discogs

Of course, the band as old as the Stones has plenty of former members, such as the little-known keyboard player Ian Stewart, and the ill-fated Brian Jones. However, the one missing Rolling Stone most people are probably familiar with is bass player Bill Wyman, a founding member who parted ways with the band in 1992.
