An exclusive guide to besting the competition and rising to the top in your career. Many people spend years working themselves into the ground, only to be passed over for the promotions, recognition, and pay raises they deserve. Today, there is a new set of unwritten rules for getting ahead, and they are all about making an impact. In Boost Your Career, Sander and Mechele Flaum expose what many people have taken years to learn: Success depends on the "impact dynamic." Defined as projects that make a resounding difference in an organization, with the added benefit of impressing key stakeholders, the impact dynamic is what separates over-deliverers from average workers. Drawing on their many years in business in a variety of high-level roles, the Flaums teach readers exactly what they need to know in today's job market: how to identify opportunities and successfully lead projects that will propel their careers. Packed with real and exclusive stories from seasoned professionals, newbies in big roles, and entrepreneurs in a variety of industries, this book shares the hidden hurdles, ah! moments, and tips for getting ahead in a competitive environment. Whether you've been at the same company for twenty years, you're starting a new job tomorrow, or you own your own business, Boost Your Career will make a resounding difference in how you view your professional role and frame your accomplishments.

This book shows how any college student can land the position they want by creating relationships with professionals in the industries they're interested in by using the author's proven Career Launch Method. Did you know only 20 percent of jobs and internships are posted online? This means 80 percent of positions are filled in what Sean O'Keefe and others calls the hidden job market. This book will teach you how to tap into that 80 percent! O'Keefe, in partnership with the Career Leadership Collective, is now sharing his proven eight-step Career Launch Method that will help any student explore career options and land the internships and jobs they want by creating professional relationships from scratch. This book demystifies the concept of intentional, proactive relationship building by teaching all the practical microsteps needed to succeed. And O'Keefe teaches readers how to "play the student card," turning inexperience and eagerness to learn into a powerful advantage. Launch Your Career features first-person stories of students from all backgrounds and programs of study who have used the Career Launch Method to earn jobs or internships at all types of companies, nonprofits, government agencies, social enterprises, and institutions across the country and around the world. The book includes the Career Launch Readiness Assessment, which helps students evaluate their competency in five key areas. This book will become a go-to resource for students looking to find internships and jobs, as well as a needed tool for colleges looking to increase retention rates and student's return on investment.

Offers advice on understanding today's job market, creating and customizing a resume, honing interviewing skills, and developing long-term career goals

Drawing from his own experience with corporations both large and small and as a business owner, Jack Molisani has seen every mistake the professional (or not-so-professional) can make in today's highly competitive job market. This book provides the tools for navigating these choppy waters. Starting with how to escape a dead-end job or an overbearing boss, to advancing one's career, and finally to achieving a higher standard of living, the book is divided into sections on finding new directions, making things happen, and optimizing the results. While most business guides focus on either job hunting for the unemployed or getting rich for business owners and CEOs, these solutions--including how to get and ace an interview and how to increase job security once hired--cater to real people wanting real advice on how to escape the chains of a recessive economy and create a long-term lifestyle that is both enjoyable and achievable.
